JOYE B. MOORE TALKS NEXTUP RVA

[CLICK YOUTUBE LINK HERE](#)

As shared in *Hopefully Beautiful*, Joye was homeless and lived in abandoned houses and ate out of dumpsters her freshman, sophomore and half of her junior year of high school. Joye partially credits an after-school program with keeping her academically current and able to graduate high school on time with a 3.79 GPA while homeless.

Listen as Joye explains her passion for NextUp RVA, a OST (out-of-school-time) System that coordinates consistent, high quality expanded learning opportunities after school with high quality program providers for low-income high stress background children; and is one of Joyebells Charities.

The Hopefully Beautiful Project

Growing *survivors* into *thrivers*

Growing *survivors* into *thrivers*.

I have been fortunate to have been able to thrive despite the adversities in my life that set my life down an unhealthy trajectory path. This has been by the Grace of God, counseling, family and good friends.

The Hopefully Beautiful Project's goal is to provide that same support to the community by providing tools that help individuals and families to transition into thriving... GROWING *SURVIVORS* INTO *THRIVERS*.

The Hopefully Beautiful Project wants **NO ONE LEFT BEHIND!**

THBP is seeking four base churches in the Richmond area to commit to providing in-kind meeting space for two hours, once a month. Just imagine, four churches, donating 2 hours meeting space, once a month, can provide consistent weekly access to a system of coordinated resources and enrichment support coordinated by the Hopefully Beautiful Project, NAMI Richmond, SCAN and other community partnerships to families and individuals experiencing trauma's due to untreated mental health crisis's and child abuse, which contribute to alcohol/drug abuse and homeless/runaway teens.

Also, if you are a **THRIVING SURVIVOR** and would like to come and share your story of resilience and victory, or **JUST NEED A SAFE PLACE TO SHARE** please contract me Joyebells LLC, you are a **VALUABLE RESOURCE!**

If you or your organization would like to be a resource for the community through the Hopefully Beautiful Project by providing enrichment support please contact Joyebells LLC and be prepared to provide proof of your company license, 501c3 if applicable, employee background checks and certificate of insurance if applicable.

The Hopefully Beautiful Project is holding a Roundtable Discussion for this initiative! If you would like a seat at the table send contact to Joyebmoore@gmail.com.

Joye B. Moore

Joyebells' Music is home to Inspirational artist Joye B. Moore!

Joye is a singer-songwriter, actress, producer, and entertainer who is proud to add "author" to her list with her personal memoir "Hopefully Beautiful - I more than survived... I thrived."

Joye, a winner of Showtime at the Apollo, co-wrote and co-produced the 'Hopefully Beautiful' theme song as well as her debut album 'Project Butterfly - The Cocoon', has performed the album's music on TV One, BET, and The Word Network and several songs are currently in rotation on the Gospel Music Channel. Joye has performed at various venues, including Festivals like the Richmond Jazz Festival and large arena's. 'Project Butterfly: The Cocoon' and other music by Joye B. Moore is available at joyebmoore.com

Hopefully Beautiful, is Joye B. Moore's deeply personal account of living with an untreated mentally ill mother, overcoming childhood abuse and homelessness at age 14 in this captivating and inspirational memoir.

Joye co-wrote & co-produced the "Hopefully Beautiful Theme Song" and directed and produced creative for it's music video that magnificently supports the spirit shared in her book.

Joye wrote, directed and produced creative for the Book Trailer shot in the style of a 'short film.' The Hopefully Beautiful Book Trailer quickly paints a visual of Joyebell's world.

Joye also played Momma in 'A Raisin In The Sun' at Henrico Theatre and the Carpenter Center.

Moore was born in Goldsboro, North Carolina, raised in Dallas, Texas, and currently lives in Richmond, Virginia where she is Operations Coordinator for an OST (out-of-school-time) System that coordinates consistent, high quality expanded learning opportunities after school with quality program providers for low-income high-stress background children. Which is close to her heart as she credits an after-school program to her staying current academically while homeless, affording her to graduate high school on-time.

Moore has been married to her husband Eric for thirty years and is a dedicated mother of three, stepmother of two, auntie-mother, grandmother, auntie, sister, and hopefully a good friend.

KIRKUS REVIEWS

BOOK REVIEW

A girl learns how much grit and grace it takes to make it out of poverty in this debut memoir.

..Overall, the memoir is unrelenting in its intensity... But even more remarkable is Moore's approach to describing her traumas, which is laudably unsentimental, unflinchingly realistic, and even... witty. Despite the author's apparent lack of interest in sugarcoating her experiences, she ends her memoir, convincingly, on a note of optimism. Perhaps it's the very same optimism that helped her live through unfathomable cruelty so that she could go on...

A SYMPATHETIC, INSTRUCTIVE STORY OF RESILIENCE. "KIRKUS REVIEWS"

(KIRKUS REVIEWS is the leading authority for literary reviews. – kirkusreviews.com)

Book Description

For as long as they can remember, Joyebell, her younger sister Sand and their baby brother Presley have suffered devastating abuse. Beaten, emotionally and mentally abused by a mother with an untreated mental illness, the sisters are molested and raped by their mother's newest husband, Corn; the third man they would call daddy.

Joyebell would do anything to be free of this childhood nightmare. And, at the age of fourteen, she's about to find out just how high the cost of freedom really is. After running away from home, the teen must make ends meet by any means necessary on the streets of South Dallas. But despite her troubles, Joyebell is compelled to survive by her hope that there is something better, no matter what things look like or how they feel.

Combining the dark realities of a troubled childhood with plenty of humor and heart, *Hopefully Beautiful* gives readers a firsthand look at the trials of living with a parent who has an untreated mental illness, as well as the difficulties of surviving and thriving after years of abuse.

Hopefully Beautiful is the real-life story of a teenage runaway, one girl's spirit to live as she fights to emerge from a difficult childhood stronger than before; and determined to stay... *Hopefully Beautiful*.

Hopefully Beautiful

LYRICS

Joye B. Moore

Copyright Joyebells Music 2015

Looking back on when I was a little girl, things didn't always seem like I could win, but I kept
pushing forward having faith within, I'm hopefully beautiful
And I believe that what I think is what I am, so I choose to believe I'm beautifully strong,
hopefully, beautifully made, baam baam baam baam

Hopefully Beautiful I'm, Hopefully
No matter what things look like or how they feel
Hopefully Beautiful, I'm gonna believe right until the very end, ah

I hope that I can give good love and not hold back, I'm hoping you'll forgive the human parts of
me, so I can share it all, happily I'd give, I'm hopefully, beautiful
And I still believe in dreams and will until the end, gonna keep on believing God's gotta plan
for me, Hopefully, Beautifully made, that's why I

Hopefully Beautiful I'm, Hopefully
No matter what things look like or how they feel
Hopefully Beautiful, I'm gonna believe right until the very end

Courage to do the things you want too, with no fear, no fear, no fear, no fear,
Courage to do the things you want too, with no fear, with no fear, with no fear, have no fear be

Hopefully Beautiful I'm, Hopefully
No matter what things look like or how they feel
Hopefully Beautiful, I'm gonna believe right until the very end

Hopefully Beautiful I'm, Hopefully
Hopefully Beautiful,
